# Where the Model Transitional Provisions (in modern awards) apply, a proportion of two different penalty entitlements may apply for the same time period. This can occur where the pre-modern award penalty entitlement is different to the modern award penalty entitlement but both apply in the same time period. In this situation, an employee is entitled to part of the pre-modern award penalty and part of the modern award penalty at the same time. For more information about the Model Transitional Provisions and penalty rates please go to [www.fairwork.gov.au](http://www.fairwork.gov.au)
